CELEBRATE NATIONAL SMILE DAY

WEDNESDAY, MAY 31

National Smile Day is an annual event that celebrates the power of smiling. A smile is a simple yet powerful gesture that can communicate warmth, friendliness, and positivity. It has the ability to brighten someone's day, lift their mood, and create a sense of connection between people. It's contagious and can spread from person to person, creating a ripple effect of happiness and kindness.

Spread the joy by sharing a photo of yourself with someone (or doing something) that makes you smile. Take a photo with your team, family, kids, pets, best friends, parents - **BE CREATIVE!** Show us what makes **YOU** smile!

Share your photos by **FRIDAY, MAY 26.**

Use the QR code to upload your photo or email it to: culturecircledts@hmn.org
