

Honoring our Founders INVESTING IN OUR FUTURE

Four decades ago, our founders embarked on a journey that would tremendously benefit seniors, families, staff and community members alike. Because their visionary plans have been skillfully navigated by dedicated leaders and supported by generous people like you, today Williamsburg Landing successfully carries out a mission to foster independence, connection and security for seniors.

As we chart a secure, exciting new course for Williamsburg Landing's next leg of the voyage, we are sincerely grateful to carry your support with us and into the lives of others.

WILLIAMSBURG LANDING®

*Please join us in
supporting our seniors.*

Community Fund

While there are many ways to support Williamsburg Landing, your contribution to the Williamsburg Landing Community Fund provides an extra level of kindness and flexibility by directing funds to the area in which they are needed most. As we've learned throughout our 38-year history, needs and circumstances fluctuate. That's why we're continually, prudently determining how we can best serve our seniors at any given time. Your gift to the Community Fund not only positions us to maximize your philanthropy for the highest immediate priorities, but it also establishes a reliable, long-term support system for Williamsburg Landing's future.

Campus Enhancement

The beauty of the Williamsburg Landing campus, with charming homes, well-tended yards and impressive facilities, is one of our hallmarks. Gifts to Campus Enhancement allow us to steward and improve over 100 buildings and 150 acres for the enjoyment of all who live and visit here.

Adult Day

The Williamsburg Landing Adult Day Center provides supportive, uplifting daytime care to nearly fifty participants, reducing isolation through stimulating programs and socialization, while providing relief and peace of mind to caregivers. Your gifts to the Adult Day Center permit us to open our doors to even more people and offer scholarships to those in need.

Wellness

Wellness opportunities emphasize contentment and connection for seniors at Williamsburg Landing, while maximizing security and engagement. This is accomplished through physical, emotional, spiritual and environmental enrichment — from the joy of live music to the calming effect of nature. There is so much that we'd like to do in this area, and your gift will bring it to fruition.

Employee Training and Education

Gifts to Employee Training and Education enable our staff members to thrive professionally and achieve new goals, while elevating the level of care and expertise that our residents receive. Your contribution also gives Williamsburg Landing a competitive advantage in staff recruitment and retention, resulting in a top-notch team that serves seniors with dignity, enthusiasm and excellence.
