# Provide Clients Quality Services

## PRODUCTION FACTORY

Our production base has moved into Pinghu - Longgang District of Shenzhen for years. Our latest factory plant is in 10,000 sqm and is near the South China International Materials City Circulation Base, which is a most convenient & excellent logistical position in logistics & transport, in receiving updated technical knowledge & market information, in recruiting good personnel and under a well support & focus from Government.

## STRUCTURE & ORGANIZATION

Staff is also our most important capital. We have about 400 staff & workers interact with a well-organized & efficient managerial team (over 10% staff). Our commitment in operation excellence and management modernization let us have gained the international accreditation of ISO9001:2000 years ago. We have also introduced the 5S Management System in practice — provision of regular training to all workers & staff, establishment of independent committee for internal auditing, attention & emphasis on workers' physical & mental healthiness, working safety, enhancement of working environment, encouragement of continual learning culture & interests development etc.

## EQUIPMENT & WORK FLOW

We have various & sufficient advanced printing plants and machines (e.g. Heidelberg DT202-S & SM23-4, Manroland P705-28, Sanyo PGM-1200-8CTPP) for several different production lines. Together with our professional & committed technical team, we can provide each client his best printing & packing solution in most quality "One-Stop" service: either in traditional approach of CTP (computer-to-film: client's raw data input—design—desktop editing & publishing—film output—print proof) or speedy approach of CTF (computer-to-plate).

Our well-controlled & efficient production chain operation can fully cater client's different needs, no matter there's involving special materials & effects (e.g. lamination, transparent or UV coating, spotting, hot-stamping, surface matting etc.), binding & packaging, special delivery and other value-added items. Every step is followed & supervised carefully to ensure all products achieving best quality.

## PRODUCTS

We specialize in Offset Printing, Card Board & Art Paper Printing, PVC Printing, Label/Slider Printing, and Display Box Printing & Packaging.

e.g. Labels, bags, stickers, leaflets, booklets, posters, manuals, calendars, pop-ups, game cards, scratch cards, gift cards, magnetic cards, greeting cards, bookmarks, writing pads, gift boxes & bags, cake boxes, PVC, PET folded boxes & different kinds of pressure sensitive adhesive products.

To cater needs of different clients, we also develop & provide the following:  
Plastic sheet printing, special material printing, screen printing, spot/UV/gloss printing, hot-stamping & depositing, neon effect, epoxy coating...etc and other value-added items. Clients are most welcomed to contact us for inquiry.
