

TOMORROWS CHILDREN'S FUND

# FOOD PANTRY DRIVE

## October 16th – November 10th

The DTS Culture Circle has joined forces with the Tomorrow's Children's Fund to organize food donations for TCF families. For many of these families, one parent must become a full-time caregiver for their seriously ill child, resulting in a loss of income. However, a simple visit to the food pantry after a long treatment day or a hospital stay can be priceless. The demand for pantry has surged, and the pantry is struggling to maintain well-stocked shelves. We invite you to participate in this chance to positively impact the lives of numerous families coping with children who have serious illnesses.

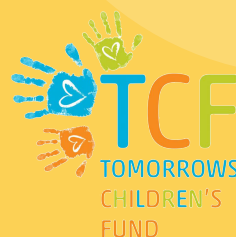

**There are donation bins at all of our DTS campuses (499 Thornall: 2nd, 3rd, 7th floor breakrooms, Neptune Data Center and Edison Warehouse) to collect your non-perishable food donations. Please consult the list of needed items noted below.** If you are a team member who is not onsite but wishes to donate, please collaborate with **Mary Zisa** to coordinate your contribution.

We thank you all in advance for your generosity!

### ITEMS NEEDED:

- |                   |                       |
|-------------------|-----------------------|
