

my Wellness

The image features the text "my Wellness" in a dark grey, cursive font. The word "my" is written in a larger, more prominent script, while "Wellness" is smaller and positioned below it. A blue leaf with three distinct lobes is located to the right of the word "Wellness". Below the leaf, the word "Wellness" is repeated in a smaller, blue, cursive font, enclosed within a blue circular outline. The overall design is clean and modern, with a focus on natural and health-related imagery.
