

RANDOM ACTS OF KINDNESS DAY IS FEBRUARY 17

Random acts of kindness have the power to transform the lives of those they touch. Whether it's a simple gesture or a grand act of generosity, these unexpected moments of kindness can brighten our day, restore our faith in humanity, and inspire us to pay it forward.

With that being said, the DTS Culture Circle would like to encourage DTS team members to participate in one of our special random acts of kindness activities **February 13-17**.

SPREAD KINDNESS THROUGHOUT DTS

If you are in the office between February 13 and 17, look for buckets in the 3rd and 7th floor lobbies that will be filled with [affirmation envelopes](#). We ask that team members take an envelope to inspire them to pay it forward. These envelopes will contain some sticky notes - and we ask that you anonymously post your random act of kindness in the 3rd and 7th floor break rooms to inspire others to act in kindness.

In addition, we challenged team members to complete an act of kindness outside of work. For example, you could hold the door or elevator for someone, pay someone a compliment, or just let someone know how much you enjoy their company. It's the small things that can make all the difference in the world to help make someone's day a bit brighter.

SHARE YOUR EXPERIENCES

The DTS Culture Circle would like to invite you to [share your personal experiences](#) of random acts of kindness as a way to celebrate the goodness of people and spread hope and positivity in the world.
