Dave Bridges

Welcome to The Crescent Moon.

I'm Dave, the chef proprietor of this establishment. I wanted to bring a real American restaurant to Hong Kong. Not an American-themed chain restaurant, but rather a genuine, local place you might find in small town America, such as in the small country town that I, myself, am from. Here we serve authentic dishes made fresh and in-house in a cozy, relaxing atmosphere that I hope you'll enjoy. We appreciate you're custom, and do hope to see you again soon.
