KNOW YOUR WORTH

Our Philosophy

While all companies begin with benchmark salaries, special examination *is* given to *your* proposition. The advantage you can have when considering an offer is '*knowing your worth*'.

It is amazing how many people are not able to take stock and recognize their own worth while examining their core values.

Our Focus

- ✓ IDENTIFYING YOUR WORTH
- ✓ DETERMINING CORE VALUES
- ✓ DEFINING NEEDS VS WANTS
- ✓ ARTICULATING COMPETENCIES
- ✓ SELF MIRRORING
