E-WASTE RECYCLING EVENT

OCTOBER 23 – 27, 2023

From Monday, October 23rd to Friday, October 27th, Digital Technology Services will be conducting a collection drive for old electronic equipment at various locations throughout the network. **SCAN THE QR CODE**

to find a listing of locations and to check the list of accepted items to begin gathering equipment for recycling.

You can contribute both personal devices and those issued by HMH/DTS.

As an added incentive, the person who donates the oldest piece of equipment from each region will have a chance to **WIN A APPLE IPAD!**
