FTSE BURSA MALAYSIA INDEX SERIES

Enhanced Market Liquidity Rule (effective December 2017)

Introduction

The Bursa Malaysia Index Series (BMSIS) is a series of indices that track the performance of the Bursa Malaysia market. The BMSIS is designed to provide investors with a clear and consistent view of the market's performance.

Enhanced Market Liquidity Rule (effective December 2017)

The Enhanced Market Liquidity Rule (EMLR) is a rule that requires the Bursa Malaysia Index Series to be based on the most liquid securities in the market. This rule is designed to improve the quality of the index and to ensure that it is a fair and accurate representation of the market.

# THE FTSE ASIAN SECTOR BY SECTOR INDEX

FTSE. It's how the world says index.

With 18 new pan-Asia sector-based indices to choose from, it's never been easier to create a diversified portfolio to spread your risk. From straight sector allocations to sophisticated strategies such as sector rotation and hedgefund sector plays FTSE's Asian Sector Index Series is the first of its kind to be built ground up from an Asian investors' perspective.

## FTSE

FTSE Group and Bursa Malaysia have come together to create a comprehensive suite of world-class indices for the Malaysian market. Malaysia is one of the most vibrant and diverse markets in the ASEAN region, home to some of Asia's most exciting multinationals.

From Large Cap to fledgling, Shariah-compliant to Palm Oil, the FTSE Bursa Malaysia Index Series gives investors the breadth and depth they need to slice and dice the market to suit their investment objectives.
